

Knitglow - original practice sheet

This is authored demonstration content, not a complete garment pattern.

Back panel example: Size M / starting stitches: 88

72 rows. Repeat length: 8. Increase by 2 every 8th row.

Keep the PDF beside the tracker. Set completed rows to 23.

The next row is 24: repeat row 8, increase by 2 stitches.

Practice: mark row 24 complete, undo, leave a resume note, then refresh.

Export your progress before clearing browser storage.

Your original PDF is not included in the JSON backup.
